Re: Amana Refrigeration, Inc.
EPA I.D. No. IA D000610436

Dear Mr. Harrington:

This is to advise that Amana Refrigeration, Inc. has obtained verification of its waste samples and obtained disposal approval. Arrangements are currently being made with the transporter and we expect disposal to be completed by April 25, 1983, as previously scheduled.

We will keep you advised as this matter progresses and, upon completion of the disposal process, will request a verification visit by Iowa DEQ.

Please call if you have any further questions.

Very truly yours,

Gene H. Fritch, P.E.
